

DVNCN

Delaware Valley Nursing Computer Network

SAVE THE DATE!

Delaware Valley Nursing Computer Network (DVNCN) announces their fall conference at [The Mansion in Voorhees, NJ](#) on Friday, November 4, 2011.

The theme of the conference is “Process Management and Improvement (improving care and optimization in nursing informatics)”.

We will be having a poster session and we invite you to participate! Please get your ideas together so you can share what your institution has done to improve computer processes before and after electronic implementations.

The call for poster abstracts will be sent via email and posted on our DVNCN website (www.dvncn.org) shortly. Please stay tuned!
